TRANSPARENT PRICING · VERSION 2026.08

FACTORY AUDIT SERVICE

China factory and supplier verification for international SME buyers — conducted by XILINK's China-based team.

$60

USD / DAY

Professional service fee for 8 hours; overtime $10/hour. Travel, hotel (up to $55/night) and meals (up to $24/day) are reimbursed at cost with original receipts — no markup or commission.

Published market context: large firms (SGS / Bureau Veritas) $400–600/day. QIMA-type firms: consumer goods $290–380/day, specialized / industrial $500–700/day. Scope, qualifications and deliverables vary by provider.

AUDIT TYPES AND TYPICAL PROJECT TOTALS

AUDIT TYPE	WHAT IT CHECKS	TYPICAL TOTAL*
Capability audit	Production capacity, equipment, organisation	**$300–600**
Quality system (QMS)	ISO 9001-style quality processes	**$400–700**
Social compliance	Labour, safety, working conditions	**$400–800**
Combined (all-in-one)	All three areas in a single visit	**$500–1,000**

* **How the totals work.** $60/day is the professional service rate. Typical totals reflect expected audit days plus reimbursed travel and lodging. Rush (24 hours notice) +20%; public holiday +50%; remote areas discussed in advance. Scope and quote are confirmed in writing before each assignment.
